Bobcat Players  
(724) 494-1680

The Bobcat Players open our 2019 season with a beautifully written romantic comedy that is perfect for spring! Matthew Barber's ENCHANTED APRIL is exactly that – enchanting. This is a touching story about an improbable quartet of women living in the dark aftermath of the First World War. They long for escape, meaning, and adventure, and they find it when they rent an Italian castle for the month of April. ENCHANTED APRIL delivers an inspired message that centers on the bonds between women as they draw strength from one another. Don't miss this light comedy full of charm and extraordinary characters! Tickets can be purchased online or in person at the Hostess Gift Shoppe in Beaver. You can also reserve by calling our box office.

An eclectic group of six mid-pubescents vie for the spelling championship of a lifetime. While candidly disclosing hilarious and touching stories from their home lives, the tweens spell their way through a series of words, hoping never to hear the soul-crushing, pout-inducing, life un-affirming "ding" of the

bell that signals a spelling mistake. Six spellers enter; one speller leaves! At least the losers get a juice box. A riotous ride, complete with audience participation, this is a delightful den of comedic genius. Featuring fast-paced, wildly funny and touching dialogue and truly fresh and vibrant score, this bee is one unforgettable experience.

SCCA Time Trials National Tour is a competition in which competitors vie for the fastest lap or elapsed time to complete a designated course. Time Trials competitors may share the track, but these events are not wheel-to-wheel competitions. This is much more about your experience and personal challenge than it is about winning and losing. The sport is based on creating a space where participants can push their own development and have a consistent way to measure their progress. Yes, there are classes, and yes, there are trophies for people who do well in their class, but at the end of the day the more important questions are: did you go faster than you have before, did you learn more about driving than you knew before, did your car perform better than it did before? The Time Trials program is founded on the idea that every person on site—from Event Lead to Drivers, and flaggers to family and friends—are there united in the pursuit of #funwithcars.
