**Calendar:** Washington County Activities

**Created by:** Quimber-Kay Nutter

**Description:**

Spend the afternoon with the Center for Coalfield Justice and your neighbors and friends as we celebrate the progress we've made in our fight to protect Ryerson Station State Park. The 13th annual DRYerson Festival will be held on Saturday, June 22nd from 1-4 PM at Pavilion 2 in the Park. This year's celebration will feature live music from Bree Otto (you loved her last year, and she's back), games (with prizes), a soaking-wet-sponge toss (all the fun of water balloons with no waste), and other fun surprises! The festival is pet-friendly, and our staff highly encourage you to bring your pooch on a leash (or a cat if your cat will let you put a leash on him/her) to join in on the festivities! Summer classics like hot dogs, pasta salad, and watermelon will be offered throughout the day, but this year we'll also be serving summertime fun in the form of snow cones and cotton candy. Again this year, in order to speak to our values and support another one of our campaigns, we will limit our use of plastic, so we will have reusable plates, cups, and utensils provided by Our Children Our Earth: Toys, Silks, and Eco-Goods. Worried that you'll only be able to make it for a brief time? Fear not - we'll have door prize drawings throughout the Festival for everyone who checks in at the registration table! Let us know you are coming to event by registering here (it's FREE!): <https://bit.ly/2WoaECO>. Call us at the office (724-229-3550) if you want to volunteer or know more about the event!
